The owner, Oculus Technologies Corporation of One hundred (100%) percent interest in the instant application hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on the instant application, which would extend beyond the expiration date of the full statutory term (defined in 35 U.S.C. 154 to 156 and 173 as shortened by any terminal disclaimer filed prior to the grant of any patent granted on pending second Application Number 09/898,506, pending third Application Number 09/898,501, and pending fourth Application No. 09/898,507 (all filed on July 3, 2001)) of any patent on the pending second, third and fourth applications.
